- All CLA Classic Compressors: The most sought-after compressors in the audio world, including the ultra-fast and aggressive CLA-76 (both Blacky & Bluey versions); the popular tube-based CLA-2A; and the secret weapon for midrange frequencies, the CLA-3A.
- All Chris Lord-Alge Signature Series plugins: The plugins that made jaw-droppingly great sound easier and faster than ever. CLA Vocals. CLA Drums. CLA Guitars. CLA Bass. CLA Unplugged. CLA Effects. The names speak for themselves.
- CLA MixDown: Chris's complete mix bus chain in one easy-to-use plugin: the perfect way to finalize your mix.

Chris Lord-Alge comments, "I needed to solve the problem for all my students and loyal plugin users, meaning one stop for ALL your CLA needs. No more looking around for all the different ones. Now we have CLA Everything. When people ask me 'Hey Chris, where can I find your software?' I've got two words for you: 'CLA Everything!'"
