TASCAM Announces the TASCAM & Bootsy Giveaway

Tuesday, 12 January 2021 10:19

announces the TASCAM & Bootsy Giveaway contest. Now through January 31st, legal residents of the United States - age 21 or above - have the opportunity to win a 'knock your socks off' recording package.

"For those people into music and music making, TASCAM is a leading brand that has helped shape the careers of so many artists," says Bootsy. "The company played an important role in my career and I'm confident it will continue to impact many others in equally compelling ways."

The TASCAM & Bootsy Giveaway contest includes (in addition to the TASCAM Model 16) two TASCAM TH-07 High-Definition Monitoring Headphones, a pair of TASCAM TM-80 Studio Condenser Microphones, a pair of Kali Audio LP-6 Monitors, an assortment of Bootsy swag, Bootsy's new album, The Power of the One (signed by Bootsy), plus a phone call with the funk master himself!

"When you're creating music, you need gear that's easy to operate that doesn't get in the way of the creative process," Bootsy adds. "TASCAM meets those requirements - and delivers exceptional audio quality in the process. The combination of features, ease-of-use, and sound quality are key ingredients for helping people turn their musical visions into reality - and TASCAM delivers on all fronts. Plus, people can enter multiple times to increase their chances of winning. How cool is that?!!!"

All eligible entries received during the submission period will be gathered into a database. The winners will be announced on or about February 15, 2021.
