As of the new Essential release, SPAT Revolution will formally update its name to SPAT Revolution Ultimate from today, April 15th.

Under the same binary (same application), this announcement brings a new license option for the new product version called SPAT Revolution Essential. The current SPAT Revolution version will in this release change name to SPAT Revolution Ultimate.

The SPAT Revolution Essential License is a single standard license, and will in its single state allow for one single activation of the SPAT Revolution Essential. With

this release, a new license will be issued for the SPAT Revolution Ultimate. All customers with a perpetual or subscription license of the current SPAT Revolution version will receive this license automatically before or during the launch.

The SPAT Revolution Ultimate license is a license bundle containing 3 licenses, including licenses for; Essential, Ultimate, and in addition, the current SPAT Revolution license which now will be called "Legacy" and will only be able to authorize builds prior to, and including, build 49043.

All in all the SPAT Revolution Ultimate license allows for two simultaneous activations, as it currently is with SPAT Revolution and all Flux:: software, for a single iLok user.

System Requirements & Compatible Hardware:

Windows 7 SP1, 8.1 and 10 (64-bit only).
macOS 10.13 (Intel, 64-bit only). macOs Big Sur compliant.

Pricing & Availability:

- SPAT Revolution Essential - Perpetual License: $399
- SPAT Revolution Ultimate - Perpetual License: $1.995
