

Austrian Audio OC818 Dual Set Plus Offer

This Black Friday, you can save a massive \$1,000 when you buy Austrian Audio's flagship OC818 Black Dual Set Plus microphone bundle. The critically acclaimed OC818, engineered and manufactured in Austria, is a professional, dual-output, large diaphragm, multi-pattern condenser microphone with high sensitivity and low self-noise. It's designed to handle the most critical audio applications from a whisper to extreme SPLs and has become a must-have mic for the recording studio, broadcast and even on large-scale live touring applications.

This Black Friday, the OC818 Black Dual Set Plus is only \$1499 - \$1,000 off the regular price of \$2,499 - available at participating retailers, as long as stocks last. This is undoubtedly one of the best Black Friday deals out there: two of the most desirable mics in the market, plus a host of accessories for under \$1500.

The OC818 Black Dual Set Plus can handle stereo or multi-channel mono recording and contains:

- 2 x black OC818 dual-output, large diaphragm condenser microphones with switchable polar patterns
- 2 x OCS8 microphone shock mounts
- 2 x OCW8 windscreen
- 2 x OCH8 mic clip
- 2 x OCC8 Mini XLR cable
- 1 x SB1 Stereo bar
- Comes in a large, stylish custom-fit case

Save \$1,000 on the Austrian Audio OC818 Dual Set Plus
